Occupation and Name of Employer	Chartered Accountant - Baker Tilly SNT LLP
Previous Volunteer Experience	For the past four years, I have served as a member of the SITC Board of Directors, including the last three years as Treasurer. During that time, I have enjoyed working with Board members, staff, and fellow members to help support the club and its long-term success. I have also chaired various Board committees and been involved in a number of initiatives supporting the club. Prior to joining the Board, I volunteered as a minor hockey coach for five years
Professional Training or Certificates	Chartered Professional Accountant (CPA, CA) and graduate of CPA Canada's In-Depth Tax Program. I am a Senior Manager with Baker Tilly SNT LLP, with experience in taxation, indirect tax, financial reporting, and advisory services. This professional experience has been a natural fit for my role as Treasurer of SITC over the past three years.
Additional Relevant Experience or Skills	As a CPA, CA and Senior Manager with Baker Tilly SNT LLP, I bring strong financial, accounting, and governance experience to the Board. Over the past three years as SITC Treasurer, I have been responsible for overseeing the club's finances, budgets, internal controls, insurance claims, and financial reporting. My professional background and experience in the Treasurer role help ensure the club remains financially strong, well-governed, and positioned for long-term success.
Why would you like to serve on the SITC Board of Directors?	I am an active SITC member and tennis player. During the recent dome collapse and recovery, I have worked closely with the Board, staff, insurers, contractors and forensic accountants on the insurance claim, repairs, business interruption claim and member updates. I would appreciate the opportunity to continue serving SITC and its members
Is there anything else you would like us to know? Feel free to use additional pages if needed.	I have been an active member of SITC for almost 10 years and currently play in three club leagues on a regular basis. One of the things I enjoy most about the club is the sense of community and the opportunity to interact with so many members. Over the years, I have gotten to know many people through league play, club events, and my involvement on the Board, and I genuinely enjoy speaking with members and hearing their feedback and ideas. Being both an active player and a Board member helps me stay connected to the membership and understand what is important to our club. I care deeply about the long-term success of SITC and would welcome the opportunity to continue contributing to its future.

Thank you very much for your application to volunteer with the Sudbury Indoor Tennis Centre.
We really appreciate your interest and dedication to our club.
